APPRECIATION

The cheque of £4,000 granted during the auspicious event at the Wotton House Hotel, Surrey on 23rd March by your esteemed organization and indeed a noble initiative will go a long way to rehabilitate the Musoma Dental clinic.

As indicated to you, the completion of the Musoma Regional Hospital and Musoma Stadium are the two remarkable challenges before us once the Musoma Dental Clinic is dealt with accordingly.

Your efforts and those of your colleagues are recognized.

I am writing, therefore, to convey to you and your colleagues, on behalf of the Mission, the government of the United Republic of Tanzania, and on my own behalf our sincere appreciation and thanks for your exemplary initiative.

Please accept, Sir, the assurances of my highest consideration and personal esteem.

Hassan Omar Gumbo Kibelloh
